JOIN THE
MOVEMENT
TODAY

We spend our lives in Chefs' whites. Always on task, rarely home. We experiment, we create, we generate happiness on a plate. Our passion is strong, our love sincere. Being a Chef is not a job. It's a calling. One that shouldn't come at a cost.

Let's stand together.

LIVING THE FAIRKITCHENS 'CODE OF CONDUCT'

TALK OPENLY

If we have something to say, we say it - and we make sure others do the same. We talk about our needs and frustrations. We ask for help.

EXCITE PASSION

We train, mentor and inspire the next generation to achieve greatness.

ACT AS ONE

We are Chefs first. No matter our creed, gender or ethnicity, we are here for the same purpose. We respect each other, support each other, we've got each other's backs. We're all for one, and one for all.

MAKE TIME

We make time for breaks. We take the time to take care of ourselves, to reduce stress, chat and laugh.

SAY "GOOD JOB"

We tell people when they've done a good job, because a pat on the back can inspire and motivate. It can make someone's day.
